Dear DHC Member,

Thank you for your continued support of the Delaware Housing Coalition, which helps us to give voice to the voiceless in need of decent, affordable and accessible housing. Your membership has been invaluable to us and adds credibility to our efforts to secure the best housing outcomes for all.

For over twenty-five years, the Delaware Housing Coalition (DHC) has been dedicated to advocating for the creation and preservation of affordable housing, both in Delaware and nationally. All of our efforts are designed to promote this goal and reflect our concern for more and better permanent supportive housing for the homeless, preservation of affordable rental communities, increased state and local incentives to produce affordable homeownership and rental units, more funding at all government levels for affordable housing, increased use of nonprofit and community-based housing development solutions, and a broader awareness and deeper understanding of affordable housing needs..

Late last year, we released our bi-annual publication, ***The Realities of Poverty in Delaware*** and also made public the policy implications of the **Fair Share Housing Measure**. We continue to publish ***Who Can Afford to Live in Delaware?*** every year, as well as our quarterly ***Housing Journal***. Through the work of our **Non-profit Housing Agenda**, we have helped to keep state funding for affordable housing high despite grave state budget concerns. In 2011, we will be working on the housing needs of the extremely poor, disability housing issues, a website dedicated to “Why NOT In My Back Yard?”, and a study of the community benefit of affordable housing.

Your membership has helped to make all of this happen and continue! Please renew that support for the best housing outcomes for all! For your convenience, I have enclosed a membership renewal form and a self-addressed envelope. I welcome the opportunity to talk with you further about our initiatives and our vision.

Sincerely,

Ken Smith
Executive Director
