The mission of the Delaware Housing Coalition is to advocate for safe, decent, and affordable housing throughout the state. Our goal is to affect, impact, and shape the environment relating to housing. We are committed to fostering the growth and long-term flourishing of grass roots constituencies which develop their power; nurture their own problem-solvers and leaders; and work together to change the conditions which prevent them from obtaining safe, decent, and affordable housing.

DHC is a non-profit, tax-exempt organization. Our United Way (Delaware) non-member designated giving number is 09294.

This publication was made possible by Citigroup Foundation through its Citigroup Summer Internship Program in both 2002 and 2003. Terri Hasson is Vice President for Community Affairs for Citicorp Bank in Delaware.

It was also made possible by a grant from the Housing Capacity Building Program to cover staff and publication costs. The Housing Capacity Building Program is a statewide partnership led by the Delaware Community Investment Corporation, the Delaware State Housing Authority, and the Center for Community Research and Service of the University of Delaware.

We are very grateful for this support.
